PUBLISHED WEEKLY IN CANAL POINT BY PAUL RARDIN

CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

RECENT OPERATIONS

By Paul Rardin

The Pahokee city council members got off to a good start Tuesday night at their organization meeting. They retained most all workmen in various departments and named a new city attorney—Ralph Johnson.

New seating arrangements of the council made hearing much easier for the spectator. Most of the members talk loud enough that a fellow sitting out in the audience can hear what's going on. It is a great relief to be able to hear. I don't believe a loud speaker will be necessary now. Anyway, the Rotarians will have to pass on that technicality, not me.

Auspicious is the word that describes the hospital dedication in Pahokee last Friday afternoon. An excellent program was presented and many folks saw the hospital for the first time. It is a beautiful structure and elegantly equipped.

Last Friday marked the opening of the new cattle market north of Belle Glade. Hundreds of cattle passed under the auctioneer's hammer and, prices were pleasing to the sellers. Starting promptly at one in the afternoon the sales were wound up about 8:30 o'clock. To say that the market had a successful first day's sale is putting it mildly. Everyone connected with the market should be given a pat on the back for such a splendid start.

Miss Nadine Raulerson sold the first steer on the first sale on opening day at the market. It brought a handsome price and caused a lot of favorable comment.

Have you been to Muck City lately? I'm anxious that you take a look at the new road. Remember how deep the muck was in days gone by? Well, your county commissioner did something about it! It isn't a paved road but it will keep your car out of the mud when the rains come. I hope!

Road contracts are under way in the Glades area. Trucks by the dozens are whizzing here and there—hauling rock—hauling sand—hauling shell—and other items necessary to road building. State Road Department trucks and workmen are busy patching roads and rebuilding bridges. County road building forces are on the job and going strong. Action is the order of the day! Let's get more things done. It's later than you think.

The contract for the six mile extension of Bacom Point Road to Chosen has NOT been let. The money is set up in this year's budget and bids will be sought as soon as plans can be drawn.

The state of Alabama is the largest producer of graphite in the Union. During the first World War it produced about 60 per cent of our graphite.

Hickam Quits Job Aviation Director

WEST PALM BEACH—Brig. Gen. Lawrence B. Hickam is resigning as Palm Beach county aviation director, effective May 31. Gen. Hickam has written the county commission tendering his resignation, "in order to take advantage of an opportunity to associate myself advantageously with a private commercial venture."

Masons Celebrate 25th Anniversary

The Everglades Masonic Lodge 211 F and A. M. of Pahokee celebrated its 25th anniversary with a special program and recognition of its charter members at a meeting Tuesday evening at the Masonic Hall.

The speaker for the evening was J. D. Linderman of West Palm Beach, past district deputy grand master, who spoke of the early days of the local lodge and the laying of the corner stone of the Masonic Hall.

John R. Wells, also of West Palm Beach and district deputy grand master now, was master of ceremonies and introduced the speakers and explained the purpose of the meeting.

Four of the seven charter members were present including George C. McFarly, Frank M. Wilson, Claude T. Santee and Robert J. Schroder. These were introduced and honored.

During the social hour which followed a birthday cake was cut. Cecil Hall, Jr., was in charge of supper arrangements. There were 85 attending.

Veterans Group Leases State Land

TALLAHASSEE—A group of 80 young war veterans Monday leased 5,870 acres of the State's best Everglades muckland for a cooperative farming venture.

Trustees of the State Internal Improvement Fund granted a ten-year lease to Pelican Bay Co.-Q, Inc., Pahokee, and agreed to finance \$60,000 worth of water control pumping equipment for use in reclaiming it from swamps.

The lease ends several months of negotiations by the group, for a tract of Everglades land. The co-op first bid for a tract held by Richlands, Inc., but chose the Conners highway area as an alternative.

The corporation will pay no rent the first year, when the land is being reclaimed. It will pay \$3 an acre the second year, \$4 the third, \$5 the fourth and \$6 an acre after that.

An additional \$2 per acre will be added to rent each year to repay the State for cost of water control machinery.

Dr. and Mrs. Gordon H. Schuetler family attended the annual meeting and covered-dish supper of the Lake Worth Pioneer Association at Lake Worth Tuesday night.

Pahokee Growers Give Truck Of Corn For Cancer Drive

Last weekend Mayor Lewis Friend and Joe Hutton, Pahokee vegetable growers, donated a truckload of US fancy sweet corn in the battle against cancer, the donation being made for the benefit of the Pahokee committee of the Palm Beach County Unit of the American Cancer Society.

The truckload of 608 crates of corn left Saturday afternoon for the New York market where it was to be handled by Post and Taback who were donating their services and paying the hauling charges. The Everglades Growers Co-op also assisted in the transaction for the benefit of the cancer drive.

Pahokee Hospital Dedicated May 12

National Hospital Day was observed in Pahokee Friday afternoon with the dedication of the new 50-bed Everglades Memorial Hospital building, rated one of the most modern hospitals for its size in south Florida.

County Commissioner Paul Rardin, master of ceremonies, introduced Lake Lytal, Commissioner chairman, who gave the dedicatory address in which he pointed out that "a hospital, like a church, is a non-profit institution operating for the good of all the people of the community."

"Also like a church, he said, "it requires the support of the people in order to thrive and do the most good. It was built and is operating for the expressed purpose of succoring to the physical ills of humanity and its doors must never be closed to anyone in need of relief from pain," he concluded.

The invocation was given by the Rev. Fred L. Martin, of Winter Haven, former pastor of the First Methodist Church here, who was chairman of the hospital board when the original hospital was first organized 12½ years ago, and operated in the Wooden building.

Mr. Martin told of some of the experiences and financial difficulties encountered in getting the hospital started.

Lewis Friend, Pahokee's new mayor, in a brief talk, promised the city's full cooperation in making the hospital an outstanding institution.

Rev. Martin told of some of the sentiments from all civic groups in the community, who took part in the dedication ceremony, and county officials including Commissioner Kenneth Foster and Dr. C. E. VanLandingham, county physician.

The Pahokee High School band under direction of Robert O. Lampf played Four numbers during the ceremony.

Open house was held at the hospital following the dedication. The building was decorated with dozens of bouquets donated by citizens and civic groups.

Refreshments were served to approximately 200 guests.

Pahokee Council Hires New City Attorney, Retains All Workmen

ENTERTAINS WINNERS

Members of the winning team in the attendance contest recently completed by the Philathea Class, First Baptist Sunday School, will be guests at a fried chicken supper, picnic style, to be given by the losing team on the lawn of the home of Mrs. H. J. Clause Thursday-evening, May 25.

Seek 2 Grades More Canal Point School

Requests for re-establishment of the 7th and 8th grades at Canal Point School were by a Parent-Teacher Assn. delegation at the School Board meeting Tuesday afternoon in West Palm Beach.

County Commissioner Paul Rardin and the Rev. Earl J. Jones, spokesmen for the Canal Point PTA delegation of about 20, requested the re-establishment of the two top elementary grades in that town, pointing out the school building has two unused rooms which could house the classes and alleviate crowding at Pahokee School. Canal Point 7th and 8th graders are transported to Pahokee.

Chairman George W. Slaton pointed out that 2½ years ago the State Dept. of Education, in a survey, established Canal Point as a permanent school center through the 6th grade. Member Carmen Salvatore explained that several years ago the School Board moved the 7th and 8th grades to Pahokee because of difficulty in retaining teachers at Canal Point.

Street Lights Are Near Realization

The Canal Point Lions Club at the regular meeting Monday night voted to act as contracting agent for the residents of Canal Point in dealing with the Florida Power and Light Company for the installation of a street lighting system in Canal Point.

Since Canal Point is not an incorporated municipality the residents benefiting from the lights will share in the payment at the rate of \$36 for two years per light, payable in advance. Present plans call for the installation of approximately 25 lights and others may be added later. It is expected the lights will be installed as soon as all the individual payments are collected and turned over to the company in a lump sum. On the Lions committee in charge of necessary arrangements are G. L. Sims, Grady Echols and Earl Maxson.

On the program Rev. William T. Blair, former pastor of the Canal Point Methodist Church who now heads the Wagg Memorial Church in West Palm Beach, was guest speaker. President A. R. Harrington presided.

The group of ladies, headed by Mrs. F. W. Cross, Sr., who have been serving dinners for the club

In its organization meeting Tuesday night the City Council of Pahokee made a new appointment and confirmed other workmen already on the job. The major appointment was that of city attorney. Ralph Johnson was named to fill the place as city attorney. Thadd Whidden resigned after serving faithfully and well for 16 years.

The council also rehired workmen in departments at the same salary they now receive. Water works, streets, sanitation and other workers were rehired on motion of the council. Tommy Hooper and C. E. Dickerson were named as patrolmen in the police department on recommendation of Chief Leon Guthrie.

Council Chairman Wroten made the following appointments: Councilman Dave Cunningham will be police commissioner, James Harry Wilkinson will have the sanitation department. Robert Simonson will watch over the waterworks, A. J. Gamot is finance officer and Mr. Wroten is the street and sidewalks commissioner.

The council voted to purchase four new guns and some handcuffs for the police department. They tabled the idea of buying uniforms for the department. This matter will be taken up at a later meeting after new members have opportunity to study budget balances.

The salary of the city attorney was set at \$100 a month. The council voted to advertise for bids on a new police car. On motion of Robert Simonson the council voted to accept no pay for special council meetings. They will accept pay for regular meetings, it was pointed out.

The council passed a resolution asking that the proposed federal route to come down the east side of Lake Okeechobee, be continued through Pahokee and Belle Glade into South Bay instead of turning at Canal Point and going to West Palm Beach. Manning Keen and Paul Rardin presented the idea for the resolution which was adopted unanimously by the council.

Rep. B. Elliott Flies To Duke Hospital

State Rep. B. Elliott left by plane yesterday for Duke Hospital at Durham, N. C., where he will undergo treatment for a serious liver ailment. Rep. Elliott was stricken last Friday at noon while attending opening of the cattle market in Belle Glade. He was brought home and later taken to Everglades Memorial hospital in Pahokee where he has been receiving attention while waiting availability of a room at Duke. His hundreds of friends in the area will wish for him a speedy recovery.

the past year, prepared Monday night a very special meal that should be rated as a banquet. They will retire from the serving committee at the end of this month.

News Notes From State Capital

TALLAHASSEE — Official results from the May 2 Democratic primary give Congressman George Smathers of Miami 387,215 votes to 319,754 for Senator Claude Pepper, margin of 67,461 votes for the U. S. Senate seat. The state canvassing board in its official count of votes gave the following results:

Railroad commission, Group 1—Wilbur C. King, 243,322; Grady Albrighton, 140,258; N. D. Wainwright 111,485.

Railroad commission, Group 2—Jerry W. Carter, 336,040; Ancil Boyette 154,620.

Congress—Charles E. Bennett defeated Emory H. Price; Bill Lantaff defeated Pat Cannon and Mrs. Frances O. Warriner; Dwight L. Rogers defeated Clarence L. Stauffer; Chester B. McMullen led in the first district, with Tom Watson in second place.

The second primary, involving one railroad commission seat as the only state contest, will be held May 23.

TALLAHASSEE—Governor Fuller Warren will ask the 1951 legislature to create a central purchasing board for buying state supplies. He told a Florida State University class that in his opinion there is less doubt about its passage than any other possible legislation. He also predicted the next legislature will tighten up on drivers' licenses and vehicle inspection.

TALLAHASSEE — Attorney General Richard Ervin has moved in to help protect a state railroad and public utility commission order requiring Southern Bell to discontinue telephone service to three alleged bookies. The commission regulation is being opposed by the Dade county bookies, who are going into circuit court to try to prevent the loss of their telephone service. Attorney General Ervin has requested each circuit judge in Dade county to permit him to oppose such a suit and to cross-examine the witnesses.

TALLAHASSEE — "Keep Florida Green" will appear on green and white automobile tags for Florida in 1951. Arch Livingston, Motor Vehicle Commissioner, has decided to help the forestry department in their fight against forest fires, by giving their program publicity on the tags. The present tag slogan is "Sunshine State."

TALLAHASSEE — William D. Barfield, Jacksonville attorney, has been appointed circuit judge of that circuit by Governor Warren. Judge Barfield succeeds to the position of the late Miles W. Lewis.

TALLAHASSEE—A new state safety council operating on a \$20,000 release from the state treasury has been authorized by the cabinet here, after listening to a report from the National Safety Council that 107 more persons were killed on Florida highways through March of this year than in the same period a year before. Further, the highway patrol was instructed to stop motorists driving more than 60 miles an hour in the daytime or 50 at night, and give them warnings. If the patrol catches you doing 75 miles an hour, in daytime or 65 at night, the charge will be reckless driving. The state has no speed limit.

Payne Jackson To Be NROTC Student

Payne Jackson, son of M. and Mrs. C. T. Jackson of Pahokee, was among the 1,800 successful candidates in the nation named last week by the Bureau of Navy Personnel to receive a Navy-subsidized education under the Naval Reserve Officers Training Corps program.

Approximately 25,000 high school seniors made application for the NROTC education program and took the Naval College aptitude tests last fall. The successful candidates will enter the NROTC college of their choice at the start of the 1950 fall term.

Payne, who has the highest four-year scholastic average among the Pahokee High School 1950 graduates, is an officer of the Senior Class, editor-in-chief of the 1950 school annual and a member of the Blue Devil basketball team. He plans to start his NROTC-sponsored education at the University of North Carolina, Chapel Hill, N. C.

Another Pahokee High School graduate, Harry Fremd, son of Mr. and Mrs. Albert Fremd of Canal Point, has been attending the University of North Carolina for the past three years under the NROTC program.

At the time Lincoln made the Gettysburg Address he felt that it had been a failure. His hearers did not seem to be very impressed with the speech but history has declared that it was one of the greatest speeches ever made.

Resources Board Meets In Pahokee

Approximately 40 guests attended a breakfast meeting of the Palm Beach County Resources Development Board membership committee in Sowder's restaurant in Pahokee Tuesday morning, with C. L. Shirley, Frank Rozelle, A. R. Harrington and P. P. deMoya, members of the board of directors for the Pahokee-Canal Point RDB Unit, acting as hosts.

Mr. Shirley, chairman of the local board, was master of ceremonies. He introduced Ralph Blank of West Palm Beach who told the group of the work RDB has done the past year in promoting flood control, improved marketing for agricultural products, industry, research, road building and other projects vital to the prosperity and welfare of Palm Beach County residents. Mr. Blank also listed some of RDB goals for the future.

A. E. Kirchman, RDB County president, and P. P. deMoya, past president, gave brief talks. Among the guests were Mayor Lewis Friend and other newly elected city officers. All present pledged their support in the current RDB membership drive in this area.

Regular Meeting Of Local Union No. 628

A regular meeting of Local Union No. 628 will be held in Union Hall on Barfield Highway at 7:30 o'clock tonight, according to the secretary, Percy Teeters. All members are urged to attend. Refreshments will be served.

BLANK TALKS

Ralph Blank of West Palm Beach was guest speaker at the Tuesday luncheon meeting of the Pahokee Lions Club. Introduced by Leonard Dobrow, the speaker reviewed the activities of the County Resources Development Board during the past year and asked the Lions for their support in the current RDB membership drive in this area. The luncheon was followed by a board of directors meeting with President E. P. Holt presiding.

INFANT BAPTISED

John Walter Mullis, Jr., infant son of Mr. and Mrs. J. W. Mullis, was baptised at a special ceremony held during the morning service at the Pahokee First Methodist Church Sunday, with Rev. Ralph W. Todd, officiating. Mr. and Mrs. J. B. Elliott, maternal great grandparents of the child, stood with parents during the ceremony.

Garden Groups To Meet Thursday

Member clubs of the Pahokee Canal Point Garden Club will meet May 25, at one o'clock in the Pahokee Woman's Club Building. There will be a covered dish luncheon and all members are urged to be present.

A report of the State Federation convention recently held in Palm Beach will be given at the meeting and reports of the year's work will be read by the club presidents. Point books should be brought to the meeting for judging, the awards to be made in September.

The annual dues of \$3 are payable this month and all members are requested to pay their dues at this time, if convenient, since a new club year is starting and federation dues must be in.

EAST SHORE DRAINAGE DISTRICT
NOTICE IS HEREBY GIVEN that in accordance with the provisions of Chapter 20694, Laws of Florida, Acts of 1941, the Board of Supervisors of EAST SHORE DRAINAGE DISTRICT, a drainage district organized and existing under the laws of Florida, and embracing lands within Palm Beach County, has caused to be prepared a budget showing the Debt Service requirements of the District and the requirements of the District for maintenance, operation and administration during the year beginning on the first day of November, 1950, and ending on the thirty-first day of October, 1951. Elks Team Will Go To State Contest

The Ritualistic team of the Pahokee BPOE Lodge 1639, which won first place in a recent district contest, will compete with three other teams for top honors in the state at the Florida Elks State Convention in West Palm Beach Sunday, May 21, at 11 a. m.

The Pahokee team is composed of James W. Vann, exalted ruler; David Bleech, leading knight; Clyde Alley, loyal knight; J. W. Mullis, lecturing knight; E. D. Slms, esquire, and Perry Duke, inner guard. The group motored to Lake Worth Tuesday night to initiate candidates into the Lake Worth Lodge, following which they were entertained at a dinner in the South Ocean Club.

The Elks State Convention will be held in West Palm Beach from Saturday through Tuesday, with activities taking place at the West Palm Beach Elks Hall and George Washington Hotel. The Pahokee Lodge will be represented at the convention by Frank O'Connell, Elmer Jones, Dick Parrish, J. W. Mullis and Otto Bleech, delegates; Harold Rosenberg, Oscar Dobrow, Earl Crossman, L. M. Collins and Edward A. Jensen, alternate delegates.

Power Company To Do Further Expansion

With Florida Power & Light Company's post-war expansion program nearing the \$108,000,000 mark, the utility's board of directors Monday recommended that 50,000 shares of preferred stock be issued to assist in financing the company's long-range program.

Pointing out that the company's construction program is one of the most ambitious projects ever attempted in Florida by private enterprise, president McGregor Smith said the utility's future is interwoven with that of Florida, "a sound state with a sound and expanding economy."

"Careful examination of the favorable outlook for our state and the need for continued building of new plants and lines to facilitate its growth," Smith said, "led our board of directors to recommend issuance of preferred stock in the amount of \$5,000,000. This 'new money' would assist in financing our expansion program. The preferred stock will have a dividend rate of \$4.50 per share."

"This proposal will be placed before our common stockholders, for their approval, at their meeting here June 9," Smith said the company's management is soliciting voting proxies from stockholders who cannot attend the June meeting.

The utility's directors also declared a quarterly dividend of \$1.12½ on preferred stock and 30 cents on common stock.

Business in Florida generally and particularly in the power company's service area again is "on the upswing," Smith told the directors, stressing figures from current economic surveys.

"Construction of new homes and new business building in our service area is sustained, rather than diminishing. As an indication that Florida is growing, our statewide system during March of this year served 333,058 electric customers—over 10 per cent or 31,844 more customers than we served in March of last year."

"Bank debits in Dade County during this past March," Smith declared, "reached \$477,200,000, an all-time 'high.' This is an increase of 11.1 per cent over March of 1948."

"Volume of postal cancellations, in other words, the amount of business handled by our post offices in Dade County, for March of this year exceed March of last year by more than 13 per cent."

Smith cited many additional figures to indicate the favorable trend of business in Florida.

Formal Installation Of Church Officials

At the Church of the Holy Nativity (Episcopal), Pahokee, special events this week include the formal installation of the recently elected officers of St. Martha's Guild on Sunday, May 21st. A special ceremony for this purpose will be held in connection with the celebration of the Holy Eucharist at 8:45 a. m.

Guild officers for the next year will be: Mrs. Sam McKinstry, Jr.—President, Mrs. Thomas Bregger—Vice President, Mrs. O. R. Bleech—Treasurer, and Mrs. P. P. de Moya—Secretary. They will be presented for the installation by Mrs. C. T. Jackson, retiring President.

At 10 a. m. on the same date Sunday school classes are scheduled to begin at Holy Nativity. Anyone wishing further information should contact Mrs. McKinstry.

Instructional arrangements have been under the supervision of Charles Creel, II, who is also acting superintendent for Church schools at St. Martin's, Clewiston, and in Moore Haven.

On the preceding Saturday, May 20th, the Vicar, Father Latimer, will begin a special course of instructions for acolytes. Boys six years and older who are interested

in serving at the altar should report at the Church building at 2 p. m., regardless of whether or not they have been previously enrolled.

Hibiscus Show For Garden Club Workers

Members of the Pahokee-Canal Point Garden Club are invited to attend the International Hibiscus Show which will be held in the Biltmore Hotel, Palm Beach, Sunday, May 21, from 2 to 5 p. m. according to an announcement made by Mrs. H. M. McIntosh, club president, at a meeting of the Ixora club at the home of Mrs. Arch Blakey Tuesday afternoon. The show is being sponsored by the State Florists Association which is holding a three-day convention in Palm Beach, starting Sunday, she said.

The Ixora group elected new officers for the coming year as follows: Mrs. Leo Maxwell, president; Mrs. C. M. Todd, vice president; Mrs. Jean Bacon, secretary-treasurer, and Mrs. M. H. Miller, program chairman.

Mrs. Parker, co-hostess, assisted Mrs. Blakey, the retiring president with the serving of refreshments.

CHURCH OF CHRIST, SCIENTIST

"SOUL AND BODY" is the subject of the Lesson-Sermon which will be read in Churches of Christ, Scientist, throughout the world on Sunday, May 21.

The Golden Text is: "My soul, wait thou only upon God; for my expectation is from him" (Ps. 62:5).

Among the citations which comprise the Lesson - Sermon is the following from the Bible: "Whom have I in heaven but thee? and there is none upon earth that I desire beside thee. My flesh and my heart faileth: but God is the strength of my heart, and my portion forever" (Ps. 73: 25, 26).

The Lesson - Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Finite belief can never do justice to Truth in any direction . . . Rightly understood, instead of possessing a sentient material form, man has a sensationless body; and God, the Soul of man and of all existence, being perpetual in His own individuality, harmony, and immortality, imparts and perpetuates these qualities in man,—through Mind; not matter" (280: 9-10, 25-30).

Jemmerson - Waits

Miss Betty Jean Jemmerson, daughter of Mr. and Mrs. A. L. Jemmerson of Andalusia, Ala., and Carl Eugene Waits, son of Mrs. W. S. Brandon of Port Mayaca, were married in the parlor of the Baptist Church in Andalusia on Easter Sunday, April 9.

The vows were read by Dr. Cook, pastor of the church, as the couple stood before an improvised altar at the fireplace which was banked with gerbras, asters and tuberoses.

The bride wore a brocaded white organdy ballerina-length dress with white accessories, white off the face hat and veil and white gloves embroidered at the cuffs with blue forget-me-nots. Her corsage was of orchids and her only ornament was an antique cameo lavalliere, a gift from the bridegroom.

Miss Janice Jemmerson, sister of the bride and maid of honor, wore a pink dress, fashioned similarly to that of the bride, with matching accessories and a corsage of asters.

Rudolph Carrol was Mr. Waits' best man. Mrs. Brandon was among those attending the wedding.

The bride is a graduate of the Andalusia High School and attended a business college in that city.

Mr. Waits, a graduate of Pahokee High School, Class of 1944, attended the University of Florida and served for two years in the Army Air Corps.

Following a wedding trip to the

Gulf Coast Mr. and Mrs. Waits are now at their home in Andalusia where he is manager of the Richburg Auto Supply Company.

Highways Should Get All Auto Tax

GAINESVILLE — State Road Department Chairman Alfred McKethan said last week all highway-use funds should be allocated to the department.

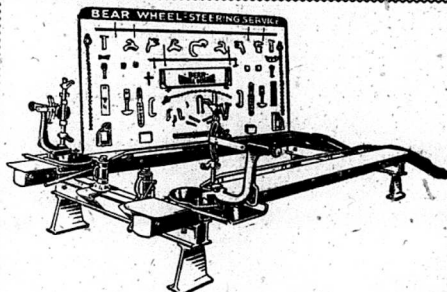

"We have been trying to tell the people the story of the highway dollar," he told 275 delegates to the Florida Highway Conference. "When they know, we believe, they

will tell the Legislature."

The only highway-use funds that do not now go to the road department are those collected by the motor vehicle commissioner for license tags. These collections go into the general fund.

McKethan estimated that revenue from license tags would add some 30 per cent to road funds, which this year top \$75,000,000. He complimented the legislature and the people as being "road minded," adding that the last legislature had "stopped a trend to allocate highway funds to other purposes."

Come to Church

The churches of the Everglades extend a warm welcome to every person to attend church on Sunday. You'll get a deep satisfaction out of attending the church of your choice. With the beginning of a New Year there is no better time than NOW to make a resolution to do a better job attending church in 1950 than you did in the year past. You'll personally enjoy the wonderful messages of faith which are in store for you during this good year ahead. Today, make a resolution that one hour out of the week's 168 will be devoted to church services. Can you do less? Watch the columns of The Everglades News for church announcements weekly. The Lake Region is blessed with a group of fine churches. Your attendance will make the work of these churches more successful.

Wilbur C. King Asks Another RRC Term

TALLAHASSEE—Wilbur C. King, chairman of the Florida Railroad and Public Utilities Commission, will enter the second Democratic primary May 23 on the record of nearly four years of solid achievement.

King has made a strenuous second primary campaign, pointing out in speeches and talks that he proposed a reorganization of the commission three years ago that has resulted in greatly increased efficiency in regulating the railroad and bus companies, the telephone and telegraph and express companies, the telephone and telegraph and express companies, under its jurisdiction.

Since he became a member, the commission has employed technical experts in the field of telephone and railroad engineering, in accounting and highway transportation and law. In addition, the commission is waging an all-out fight in Washington against increased freight rates in Florida on such critical items as lumber and fertilizer. Railroad spokesmen have testified under oath, King says, that the railroad commission is saving Florida shippers as much as \$2,000,000 a year.

King led his nearest opponent by more than 100,000 votes in the May 2 primary, lacking only a few of defeating two contenders. He will conclude his campaign in the counties of Dade, Hillsborough and Duval.

1951 Auto Tags Will Be Green And White

TALLAHASSEE—Florida's 1951 automobile license plates will be green and white and will carry the slogan "Keep Florida Green".

The State Motor Vehicle Commissioner reported the new color combination last week. This year's tags are orange and blue and bear the slogan, "Sunshine State."

Motor Vehicle Commissioner Arch Livingston said the slogan, urged by the state's forest industries, is part of a drive against wood fires. It also is intended to remind residents of Northern States that Florida is green all year around.

TB Board Holds Up Picking Proposed Site

TALLAHASSEE—The State Tuberculosis Board has deferred action on the proposed site of a new Northwest Florida sanatorium after hearing delegations from Marianna and Tallahassee make bids for the new \$2,750,000 northwest Florida institution.

Board Chairman W. T. Edwards told the two groups a decision would be made in "two or three weeks." Delegates from both cities offered locations to the board and built up cases for them on almost identical argument that they could give free land, existing utilities, central locations and other advantages.

Pensacola and Gulf County groups also asked that the hospital be located in their communities but the strongest pleas came from Tallahassee and Marianna.

The new 350-bed sanatorium will replace the 200-bed institution now housed temporarily in frame buildings of the wartime Marianna Army Air Base.

"Old South" Theme Of Junior-Senior Prom

"The Old South" was the theme used by the Juniors in decorating the Elk's Hall for the swanky Junior-Senior prom held in the hall, Friday night.

An outstanding feature of the prom was the impressive and colorful promenade executed by members of the Senior Class. With Coach Clyde Alley acting as announcer, the Senior girls lined up at one of the back entrances of the hall and the Senior boys at the other, then they streamed into the hall, the boys and the girls coming together and marching around the dance floor two abreast, then four abreast and finally eight abreast in an intricate pattern of drills until they came to a halt to form the figures, 50. The first dance was reserved to members of the Senior Class exclusively.

Young Car Thieves Taken By The Law

Two young auto thieves were apprehended Wednesday by Highway Patrolman Brinson and Pahoee Police Chief Leon Guthrie after a thrilling chase near the edge of the city. Billie Roy Nix and Delano Blackburn, both about 18 and from Ft. Lauderdale, had taken possession of a 1950 Studebaker in Ft. Lauderdale. The loss was radioed to Pahoee highway patrol station and the chase ensued when they came this way. The youngsters were taken to West Palm Beach for incarceration.
